Notice of Voluntary Recall

January 15, 2018

Via E-Mail, U.S. Mail, & Telephone Follow-up

Dear valued customer:

Jarrow Formulas Inc. is voluntarily recalling the **Liquid L-Carnitine (LLC)** with the lot#: **JLC17131** UPC #: **790011020066**

The decision to voluntarily recall this lot is *not* due to any known allergen or other known health-related concerns. Analytical testing has confirmed that this lot has no harmful pathogen present however, there are some impurities appearing in the product over time.

Since this product was manufactured at an outside contract manufacturer, we are working closely with the contract manufacturer to identify the root cause of this as well as any potential corrective or preventive action.

As a company, Jarrow Formulas believes in offering the consumer the highest quality products. Unfortunately, these particular lots do not reach our level of excellence hence, the reason for this voluntary recall.

If you still have any bottles from this lot currently in stock, please remove them from your shelves and contact your Jarrow Formulas sales representative or the customer service department at Jarrow Formulas (toll-free number: 1-800-726-0886) so that one of our customer service representatives may arrange to have the bottles picked up and send you replacement bottles or credit your account accordingly.

We sincerely apologize for any inconvenience that this may cause and thank you for your cooperation and assistance in this matter.

Regards

Elizabeth M. Bisade
